Subject: District boundaries...San Gabriel / Pomona Valley / Inland Empire

To: votersfirstact@crc.ca.gov

As a resident of Claremont I am acutely aware of the problems associated with the current legislative boundaries.

Assembly District 59 has been assigned to two Counties.

The 59th District should begin at the S B. County line in Upland and maintaining the remaining configuration of the District.

District 61 should include all of Claremont and west to include San Dimas and La Verne. This will more consistently represent the constituents of each District.
