Dear Commissioners,

As a Placentia resident and city Councilmember I understand the needs of the local population. I am requesting that your final proposal on redistricting maintains the current practice in which the cities of Fullerton, Placentia and Brea are represented by the same representative at each level. We share many common needs and the residents are best served with this model.

Thank you for consideration and willingness to serve on this important commission.

Sincerely,

Chad P. Wanke
Council Member
City of Placentia
