Message Body:

I have heard that you want to get rid of some districts in northern california. I also heard that you did have a meeting in Redding but only gave a short notice. Siskiyou county was not represented a all. You need to rethink your objectives. I always thought that when you want to do something and you need to be able to make the right decision. You ask the people. You did not ask Siskiyou County. You need to rethink about having a hearing in Siskiyou, so we can be heard. And what we think about what you are attempting to do.

Thank You
Dan Dorsey
