Conversation: Letter to the Redistricting Commission

Dear Honorable Commissioners:

I am writing to express my strong desire for binding the communities situated near the Santa Monica Mountains in a shared legislative district. These communities traverse inland regions to the coast, and include West Hills, Hidden Hills, Calabasas, Agoura Hills, Westlake Village, and Malibu. In this regard, I respectfully request that the Commission consider a return to the 1991 legislative boundaries for the Santa Monica Mountain vicinity. The 1991 districts bordered along county lines, and were inclusive of our community of interest.

While the Santa Monica Mountains National Recreations Area is accessible to all residents of California, it is those who live nearest to these mountains that are motivated to preserve the natural beauty and quality of life that they inspire. Any redistricting effort that divides this region will dilute our voice in the legislatures and compromise our ability to limit development and preserve the natural beauty of these mountains for all to enjoy.

The ecology of our area requires careful stewardship. The Santa Monica Mountains are linked to the north by the Upper Las Virgenes Canyon Open Preserve, which serves as a corridor for wildlife in this part of our State. Our communities are also part of the North Santa Monica Bay Watersheds. The Malibu Creek Watershed Advisory Council includes representatives of the cities of Malibu, Calabasas, Agoura Hills, and Westlake Village.

The communities of West Hills, Hidden Hills, Calabasas, Agoura Hills, Westlake Village, Malibu, and the adjacent unincorporated communities are deeply connected through collaboration and services. These communities form the Las Virgenes - Malibu Council of Governments. The COG is the core of Los Angeles County's Disaster Management Area B. These communities collaborate in the Santa Monica Mountains Fire Safe Alliance.

The inland communities are served by a single Sheriff's Station, located in Calabasas. These communities are served by three Fire Stations, located in Agoura Hills, Calabasas, and Westlake Village. The Las Virgenes Municipal Water District provides these communities with water and sewer services. The communities are also united through the distinguished Las Virgenes Unified School District. Several schools in this district have been honored by the California Distinguished Schools Program and the National Blue Ribbon Schools Program.

Our strength as an interactive and collaborative community of interest rests on our ability to have a shared legislative voice. Our shared interest in preserving the ecology and beauty of the Santa Monica Mountains region is but one of the many elements that binds us together. Please respect the integrity of our communities and our quality of life by returning to the 1991 legislative boundaries for the Santa Monica Mountains vicinity.

Attached are maps of the 1991 legislative districts for the Santa Monica Mountains area.

Commercial interest in the San Fernando Valley not only do not have our interests in mind but they are actively opposed to them for commercial reasons. WE deserve to represent our own interests and not have them corrupted for the profit of others who do not care. Let the interests of our community be represented by the who live here. We

moved here so we could leave the city behind, don't let it pursue us.

With best regards,

Bob Coutts
