Dear Commissioners,

I am writing to make my comments heard about the new districts that are being drawn. I live in Simi Valley and my community is very important to me.

I currently live in Simi Valley and I feel so privileged to be here. The area is beautiful and family friendly, and the people that live here are wonderful. Moorpark is our neighbor and many people who live here come to Simi Valley on a daily basis for work, to take their children to school, or to shop. Our two cities are so intertwined. It would be a mistake to separate our cities into different districts.

When deciding which communities of interest should be included within one district, please be sure to include Moorpark and Simi Valley together.

Thank you,

Michael Hernandez
