Message Body:

The 37th Assembly District is very much gerrymandered with parts of Ventura County, half of either Thousand Oaks or Simi (I don't remember which), a little bit of LA County and 4 voters in Kern county. This needs to be remedied. The City of Ventura is split with the part by the beach in one assembly district and the eastern half of the city in another. It would be better if the city was all in one district. Parts of Ventura county are in the 41 assembly district, parts in the 38th assembly district. We have senatorial districts which are part Ventura and part something else such as the 17 and 23 Senatorial Districts. Hope you can make Ventura County and City less split up. Nell McCombs
