Message Body:

I would like to thank all 14 of the commission members for the hard work they are doing during this process.

I would like to urge the commission to keep Santa Clarita intact during the process. Santa Clarita is the 4th largest city in Los Angeles County and is geographically contained in the Santa Clarita Valley seperated by mountains from the San Fernando Valley and greater Los Angeles. Rather than be attached to cities in the San Fernando Valley or even Pasadena area, we have much more in common with eastern Ventura County cities such as Filmore and Sant Paula.

Thank You
