Subject: Kern County Issues

Message Body:

I am a resident of Ridgecrest, CA, in the Indian Wells Valley. My residence is in Kern County only 1/2 mile from the San Bernardino County Line. I have heard rumors that redistricting might possibly group us in Eastern Kern County with LA County or San Bernardino County. This would be very inconvenient for us here in Ridgecrest as all our County government interaction is with the County government in Bakersfield so our legislative representatives should also be aligned in that direction. I am a volunteer poll worker and I know that grouping us with a County other than Kern would greatly complicate the running of the elections.
