Message Body:

I urge you to keep Marin County intact as a county and if it must be included with other contiguous areas, please, not with San Francisco. Sonoma is the area of choice., Marin and Sonoma share many interests, rural life, agriculture, open space, climate, housing types, that are not shared by San Francisco. I have lived in Marin all my 80 years. and I get to SF about once a year, if that. Marin has little in common with SF.
