Subject: Antelope Valley

Message Body:

I support the GAVEA/AVBOT proposed district. This Assembly District protects the interests of our community and follows the guidelines set up in the CA Constitution. Our population is such that there is no way to combine us with a geolgraphically separate community in any direction and keep us intact in an Assembly District. Our High Desert neighbors to the East, in the Victor Valley/Mojave Desert communities of San Bernardino and Inyo Counties, are in the same position. For all of our commonalities with those communities, this Assembly District ought to be nested with them to form one all-encompassing High Desert Senate District.
