Subject: Senate District 15

Message Body:

Three community colleges in Monterey and Santa Cruz counties, Cabrillo College, Hartnell College and Monterey Peninsula College, share a strong community of interest and should be united in one Senate district. They are all in close proximity, and they have very little contact with colleges to the South. They all draw students from the same areas, and students transfer to UCSC and CSUMB. In sum, it is awkward to put them in different districts.
