Dear sir I am writing to ask that you not redistrict Siskiyou County, we have nothing in common with the coastal areas. We here in Siskiyou County are requesting that we stay in the Mountain area of Northern California along the I 5 corridor. This is best for us and we have good representation at the legislative level now. To put us in with another area would effect our rights to representation that understands our county. Thank you for your consideration in this matter. Grace Bennett Supervisor District 4 Siskiyou County
