Message Body:

Dear Citizens Redistricting Commission:

As 21 year resident of Del Norte County and have an understanding of the needs and aspirations of our area. Our small population and beautiful natural environment present unique challenges for our future growth. We need to return to District 2 in the Senate and remain in the same Assembly and Congressional district with Humboldt, Lake, Mendocino, and Sonoma Counties. It makes sense that all of these North Coast Counties should remain in the same district because they share geographic, demographic and economic similarities.

Very Sincerely,

Doreen Bruce
