Conversation: Keep Cong. Dist. 45 in Riverside Co. ONLY!!

The Coachella Valley is a unique desert community and a prime resort/tourist area within Riverside County. We're not "better" than any of our neighbors - we're just different and distinct! And our needs and the issues that concern us are FAR DIFFERENT than those that concern and are part of Imperial County, which is primarily agricultural but also with border issues with which we're fortunate not to have to deal as directly here in Riverside County.

As well, we're also distinct from the Inland Empire part of Riverside and Eastern San Bernardino Counties; but at least the part of Western Riverside County that comprises the Inland Empire is related to us, inasmuch as we're all part of Riverside County. Therefore, any consolidation of geographical territory for redistricting purposes would much more naturally include the Inland Empire part of Riverside County and NOT any part of Imperial County!!

Thank you for your consideration of this important issue!
