Redistricting Commission:

Due to medical problems I was unable to attend the meeting in Palm Springs on May 12.

I am concerned that if the Coachella Valley, all or part, is combined with Imperial County the interests of we in the Coachella Valley will be lost. Our Coachella Valley consists of retirement and resort related interests. Imperial County is dominated by agricultural interests primarily. The issues and interests of these two areas are not related. We in the Coachella Valley have a higher standard of living and represent suburban bedroom communities rather than the spread out agricultural interests of Imperial County.

Please do not lump the Coachella Valley (Riverside County) with Imperial County.

Thank you for your interest. Randall Morton, Indio , CA
