Conversation: Re-districting opinion

Attention to this PLEASE!!!! After attending the 'fact-finding' meeting May 12 in Palm Springs I felt compelled to pass along my opinions as a voting resident of this Coachella Valley. KEEP DESERT CITIES INTACT and COMPACT no ties to IMPERIAL COUNTY. I appreciated comments by Mayor Kathleen DeRosa to keep Riverside County intact. Our unity is tourism-each community unique yet over-all directed toward recreational pursuits.This is the unifying cement. Sincerely, Claire J. Price--La Quinta 92253
