Conversation: REDISTRICTING

I am a resident of the Coachella Valley. My husband and I have owned property in La Quinta & Palm Desert since 1981. I am writing to object to the proposed change in our District. We have nothing in common with the issues of the Imperial County. We do not share economic industries; nor, do we have similar environmental or border issues. Our standard of living is very diverse. We are not geographically contiguous. We beg you to keep our Valley intact and protect our similarity of issues.

I thank you for your consideration in this matter.

Sincerely

Mr. & Mrs. Jon Hockenberry
