Conversation: Keep the Coachella Valley within Riverside County

Sirs:

As a lifelong resident of various areas of Riverside County, I urge the Redistricting Commission to keep the 45th Congressional District contained to Riverside County. Population figures and attendant demographics justify it as well as the flavor of the county. Imperial County has absolutely nothing in common with Riverside County and the various regional joint powers authorities and governmental bodies have long worked together to remain cohesive. Years ago the League of California Cities recognized the unique nature of Riverside County and split it from San Bernardino County activities.

It is critical that representation remain within Riverside County. Realizing that the 45th district must lose some of its constituents, simply eliminating Moreno Valley accomplishes this goal.

Thank you for your consideration.
