Conversation: Feedback on district organization

Hello,

My name is Norma Leon. And I'd like to share about my experience as a current employee in Pomona and a current resident of Chino.

I lived in Pomona for a long time (from 1989 to 2005). I attended Ganesha High School in Pomona and studied at Cal Poly Pomona to earn my bachelor's degree. I've been working at Cal Poly Pomona since 1996 as well. I currently live in the city of Chino (have been living here for almost 6 years). I feel I can relate with the composition and culture in the cities of Ontario, Montclair, Pomona and Chino. While I live in Chino, I work in Pomona. Many of my friends and family live in Ontario. I shop and dine at Montclair Plaza often. Therefore, I'd like to ask to please keep these cities together in a district as they have similar interests, composition, and culture.

Thank you for your consideration,

Norma Leon
