Conversation: Redistricting

Peter Yeo, Redistricting Committee,

San Juan Capistrano and San Clemente should be in the South County District with Laguna Niguel, Dana Point and Laguna Beach. This is the only way to make this fair and not spin the results of elections for one party. There is no honest information on the internet that favors this move and It is quite obvious why. Don't sign your name to this. Be honest.

Thank you.

Barbara Brook
