Conversation: Keeping The Santa Clarita Valley Whole

Dear Redistricting Commission Members:

The Santa Clarita Valley is a unified, forward thinking community, evidenced in part by our long-term "One Valley, One Vision" approach to planning and community development. Maintaining this valley as one political subdivision is important to those of us who live here and is critical to maintaining the quality of life we cherish and work hard to retain.

I respectfully request that the Santa Clarita Valley be placed within a single Congressional, State Senate Assembly, and Board of Equalization district and not divided among two or more districts.

Sincerely,

Victor Lindenheim
