Message Body:

I'm angelino by birth, specifically fernandino, and have lived over 45 years of going on 63 in the West SFV. I love LA - all of it. That said, there are few issues involving the Westside which directly affect my neck of the woods in Encino and vice versa. Therefore, it's imperative that Mulholland Dr. demarcate new districts between the communities on either side of the Sta. Mónicas.
