Every effort must be made to keep districts contiguous and keep communities of interest together. Our Assembly district (Claremont) is an excellent example of poor planning - our old 62nd district in the 1970's made much more sense and keeping 2 Assembly Districts within a Senate District is also desirable. Back in the 80's our Senate District contained 2 complete Assembly Districts. Now it is almost impossible to figure out how lines makes any sense. Claremont, La Verne, San Dimas have absolutely nothing in common with Hesperia!! I also believe that wherever possible districts should be contained within one County and not cross county lines.
