Subject: Santa Clarita Valley Redistricting

Message Body:

The Santa Clarita Valley City Council voted to keep Santa Clarita as one district and if necessary, to team Santa Clarita with cities in which we share common interests and concerns. One of the most important ties shaping our community is the joint planning we undertook with the City of Santa Clarita and Los Angeles County known as "One Valley, One Vision." This partnership allows both jurisdictions to update our individual General Plans to strengthen the common goals shared by all the residents of the Santa Clarita Valley. By placing the entire Santa Clarita Valley within single districts, the Commission will be able to successfully meet one of its key criteria and preserve important neighborhood connections.

through One Valley-One Vision.
