Message Body:

As a 25 year resident of Agoura Hills, I am writing to let you know my interest and concern in keeping this area together as a community when drawing new district boundaries. The residents in the West San Fernando Valley have much in common. We work, shop, dine and send our children to schools here. My neighbors work in this area as does my family. I do not enjoy driving to the West LA area due to the congestion on the 101 freeway. I also feel the Westside has different community needs than the West Valley. I urge the Commission to define the West Valley using the 101 corridor to keep this special community intact. Much of our future relies on your thoughtful decision.
