Message Body:

I look forward to impartial, non-partisan redistricting! Having lived in Pacific Palisades for many years, I have felt that our very gerrymandered Senate and Assembly districts have not served our particular community. A quick look at the shape of Assembly district 42 and Senate district 23 is enough to raise questions. We have been a set up to be a single party district for decades, which does not lead to good or balanced leadership. As an independent, I hope redistricting will allow balance and moderation to be restored to Sacramento. Thank you.
