Message Body:

I want to thank you for this opportunity to share with you my thoughts on this issue.

I am an Hispanic woman who comes from the minority base. I know it is important to keep a balance of social economic backgrounds when developing these lines. It is also important that the cities combined have a continuity.

I live in San Pedro and we have two State Senate seats in our area. I would like to see the Peninsula (Palos Verdes) and San Pedro Combined with Wilmington, Lomita, Harbor City, Carson, Torrance, Gardena, Redondo Beach, Hermosa Beach, Manhattan Beach, Marina del Rey, up to Westchester.

I believe these cities combined make up a balance of minority and middle class.

Thank you for your consideration,
Lydia Gutierrez
Resident of San Pedro
