Message Body:

I read with much concern that there is some thinking to suggest that the San Fernando Valley is demarcated the 101 freeway to the south and the 118 to the north. This does not make sense since much of communities such as: Sherman Oaks, Encino, Tarzana, Woodland Hills, Northridge, Granada Hills to name most would be omitted! Additionally apparently, currently 3/4 of the State senators & Assembly members representing the Valley don't live in the Valley. This is not right. I'll be following your public hearings with interest.
