Redistricting Commission,

I am sending additional information:

- 1) I failed to mention City of Industry, CA. 91744 which is bordered at the south edge of West Covina, and stretches between 605 Fwy. to the 57 Fwy.
- 2) A map depicting my community and connected areas.

Thank you,

Fredrick Sykes

Redistricting Commission,

Presently I am out of town.

Please except this E-mail as my testimony.

The majority of West Covina residents are Latino. Please note that the majority of the residents in Baldwin Park, La Puente and the unincorporated L.A. County areas of La Puente and Valinda also have a pronounced majority of Latinos. All the before mentioned areas have common boarders. The majority of the residents in these cities and locals have similar social economic status and vested interest; therefore, I ask that you consider that these areas should be harbored in the same District at all levels of governmental representation.

Should you have any questions please do not hesitate to contact me.

Respectfully submitted,

Fredrick Sykes
