Region 4: Los Angeles #7

A Fair Redistricting for Southern California

Congressional Districts
Target Population – 702,904

County	Total Pop	#of Dists.
Los Angeles	9,818,605	13.97
Orange	3,010,232	4.28
Riverside	2,189,641	3.12
San Diego	3,095,313	4.40
San Bern.	2,035,210	2.90
Imperial	174,528	.25
TOTAL	10,504,924	14.95

◆ Los Angeles County should have 14 Congressional Districts – No More, No Less.

◆ No need to have any LA Congressional District line cross the County border.

◆ Don't raid the population of these 5 counties to prop up additional LA County districts.

State Senate Districts
Target Population – 931,349

County	Total Pop	#of Dists.
Los Angeles	9,818,605	10.54
Orange	3,010,232	3.23
Riverside	2,189,641	2.35
San Diego	3,095,313	3.32
San Bern.	2,035,210	2.19
Imperial	174,528	.18
TOTAL	10,504,924	11.27

◆ 11 districts should be drawn first for the 5 counties, allowing some excess population to bolster LA County.

◆ Communities of common interest can be kept together without criss-crossing county borders several times.

Assembly Districts
Target Population – 465,675

County	Total Pop	#of Dists.
Los Angeles	9,818,605	21.08
Orange	3,010,232	6.46
Riverside	2,189,641	4.70
San Diego	3,095,313	6.64
San Bern.	2,035,210	4.37
Imperial	174,528	.37
TOTAL	10,504,924	22.54

◆ A plan can be drawn giving LA County 21 Assembly seats without having to cross over a county border to raid population.
