Conversation: Keep East Ventura County Together

Dear CRC Representatives,

Please keep East Ventura County Together and do not divide it in anyway. Redistricting the East Ventura County will divide a district that works together to support many common community issues including non-profit organizations. It doesn't make a whole lot of sense to "redistrict" communities who have worked successfully together, supported each other for decades and whose children have attended the same schools. Please consider maintaining the East Ventura County Together. It works!
