

*May 14, 2011*

*Dear Commissioners,*

*Thank You for hearing my concerns for eastern Ventura County. I am a Ventura County resident and I want to make my thoughts and comments heard about the process of redrawing our districts.*

*I think that it is so important to keep communities that share many common aspects together. That is why I urge you to keep the cities of eastern Ventura County together under one district. We share so many common interests and should not be separated.*

*As you draw our districts please take my comments into consideration and keep Simi Valley, Moorpark, Thousand Oaks, and Camarillo united.*

*Thank you again for accepting and making my concerns Yours,*

*Sincerely,*

*PAMELA FAULKNER*
