Subject: Region 6 Redistricting Public Comment

Message Body:

We live in Ridgecrest, CA, part of Kern County. We do many volunteer projects involving law enforcement, parks, economic development, education, and veterans' services. Many of the departments of Kern County are integrally connected to these activities. We feel that the legislative district lines should remain as close to the current lines as possible, especially as it relates to Ridgecrest and the Navy Base at China Lake being aligned with Kern County.
