**Conversation:** Redistricting of Indian Wells Valley

My wife and I strongly oppose removing the Indian Wells Valley and it's most populated towns of Ridgecrest, Inyokern, and the Navy base at China Lake from their current districts and placing us into ones shared with Los Angeles or San Bernardino. We have strong historic ties with the Western side of our county of Kern and its county seat Bakersfield. We are residents of Kern County and should remain voters along with our fellow Kern County residents!!! We go out of our way not to associate with Los Angeles or San Bernardino!!!!!! LEAVE US ALONE!!!!!!!!!!!!

Respectfully,

Everett & Ann Long
