Message Body:

My family and I reside in the city of Ridgecrest in Kern county. The discussion of redistricting is very concerning to our small community. It is vital to our town that we are allowed to remain with Bakersfield in District 22. Both our city officials and the China Lake Naval Base have worked hard to establish good relationships with the representatives of this district. Our representative, Kevin McCarthy undertands the very unique dynamic that our city and base have and is such a great advocate of the overall Mission. Please do not move our city out of his district!
