Subject: Redistricting

Message Body:

I am strongly opposed to redistricting any county especially Kern County, where the city of Ridgecrest is located in. We will be lost in the mix if we are placed with County of San Bernardino or Los Angeles County where there are too many other cities larger and have less representation. We have long been represented by Kevin McCarty as our congressman. There is no reason to spend the money when California is broke to redistrict when the system is not broken.
