Subject: Opposed to Redistricting of Ridgecrest CA

Message Body:

I am opposed to a proposal of redistricting my city of Ridgecrest from its present Federal and State districts. I feel that our present district better represents needs and concerns that I have as a small desert town in Kern County. Placing us in a large metropolitan district will silence or mask issues that are unique to this remote area and draw resources away from this community to be absorbed by a larger group that will not be as concerned for our unique local needs or represent my political interests.
