Subject: Redistricting Ridgecrest & the Indian Wells Valley

Message Body:

As a long time resident of the Indian Wells Valley, I STRONGLY OBJECT to redistricting our community to align with Los Angeles County. As part of Kern County, we are well represented and have a strong voice. Being a small community, this is essential to our growth, not to mention our very survival. As a contributing member of the China Lake Naval Air Warfare Center community, located in Ridgecrest, I believe it is important that we are heard and understood. This would be much more difficult if we were aligned with Los Angeles or San Bernardino Counties.
