Subject: redistricting of Ridgecrest/Indian Wells Valley

Message Body:

To whom it may concern:

You must reconsider the decision to merge our community out of our current district into the much larger district of Los Angeles. Our community is supported by Kern County and our issues are so interrelated throughout this agricultural/military community. We are in a smaller district and this allows us to have a voice in decisions made for our community. Thank you for leaving our community in the district which serves us and our specific needs.
