To the Citizens Redistricting Commission:

I am very much in favor of remaining in my current 22nd Congressional District (Federal), the 32nd Assembly District (State), and the 18th Senate District (State). I feel my interests are well represented in these districts. My town of Ridgecrest is small – about 30,000 and even though Bakersfield is much larger, it is in no way as large as Los Angeles. I fear that the voices of my community would be lost in the demands of the other, closer millions of voters in the Los Angeles area whose needs and urban culture differ greatly from ours. Please consider that we have close ties to Kern County through our Kern Community College District and that our small town culture is valued by Kern County. Kern County is also keenly aware of our military mission and the necessity of keeping our air and our air corridors clear.

Thank you for your efforts on our behalf to keep us in our current districts.

Sincerely,

Judith A. Martin
