**Conversation:** Redistricting 22nd Congressional District

Dear Sir,

I am writing to express my opinion to not consider the moving of Ridgecrest and the Indian Wells Valley out of our current Congressional District shared with Kern County into one shared with Los Angeles County.

Currently we are in the 22nd Congressional District (Federal), the 32nd Assembly District (State), and the 18th Senate District (State) and we are well represented because our voices are heard. Melding with Los Angeles or San Bernardino County *will* cause our voices to be lost in the crowd. The Kern Community College District supports the Military Base through programs promoting civilian government services. We share cultural and non-urban values. Our city is integrally associated with Kern County and would be lost if combined with Los Angeles County.

I am requesting to side on NOT redistricting the 22nd Congressional District.

Thanks for your consideration.

Sincerely,

Dana Alloway
