Dear Commissioners,

I am a teenager and community college student in Salinas. I ask you to unite Santa Cruz, San Benito, and Monterey Counties in a single state senate district. I have friends at CSUMB, and my father will work there this summer. My mother has worked in Gilroy and different cities in Monterey County. I sometimes visit my aunt in Santa Cruz. I often go up Highway 101 to shop for clothes in Gilroy, or see my brother in Berkeley. The last time I was anywhere near Modesto was eighteen months ago when we didn't stop on our way to Yosemite. Please respect our community of interest.

Respectfully,

Lucero Ezekiel
