Message Body:

Dear Friends: I have lived here on the beautiful Monterey Bay, in Santa Cruz, for 39 years, with friends and relatives throughout Santa Cruz County, Monterey County, and San Benito County. I only know a few folk in the San Jose area from when my wife worked over there. We are very much a community here, especially as we evolve into our growing Latino population; our churches and public institutions have led the the way, and been quite successful. Please honor our effort and accomplishments by leaving our Assembly districts as they are and making us a Senate District again. Thank you.
