Dear Commission:

I work in Central Contra Costa County, specifically the Monument Corridor which is a community of interest within the 11th Assembly District. The Monument Corridor is the 2nd most dense community in the Bay Area and it is important for our community of interest to stay together in the new redistricting lines. I believe this is important because of the many links within Central Costa County including our shared regional priorities, transportation interests, civic and business groups and many joint efforts, including civic efforts, sporting communities, and work relationships. I recommend the Central Contra Costa County cities of Pittsburg, Bay Point, Pacheco, Concord, Martinez, and Pleasant Hill be kept together in redistricting. To have enough population to make new districts, our community should be joined with similar towns, such as Antioch, Hercules, Pinole, and Walnut Creek by expanding east and west along the main transportation routes of Highway 4 and 680.

Thank you for your time and dedication in listening to our voice as a community.
