Dear Commissioners:

I am a resident of Danville in Contra Costa County, and I am writing to urge your support of all of the Bay Area Maps submitted on May 24, 2011 by the California Conservative Action Group and the California Citizens Redistricting Task Force.

I support a fair and competitive Congressional District comprised of Lamorinda, Walnut Creek, Oakley, Antioch, Clayton, Brentwood, Discovery Bay, the San Ramon Valley, and the Tri-Valley (Dublin, Pleasanton, Livermore). These cities represent a logical and similar area. Redistricting should not be a tool of any party to disenfranchise voters in a contiguous area.

Thank you,
Mark Fernwood
VP Danville Materials Inc.

Message Body:

I'd really appreciate it if you'd keep the Tri-Valley in one congressional district. The way they've currently divided our community is absolutely astounding; I live in one congressional district, but the house on the other side of the street is in another. Livermore, San Ramon, Danville, Dublin, Walnut Creek and Pleasanton are one continuous community; I often drive north/south to the other places in the Tri-Valley. Rarely do I drive across the hills to Fremont/Berkeley/Richmond, although people do commute there.
