Subject: re-districting of Marin

Message Body:

Marin should be in the same district as Sonoma County. We are most similar to Sonoma. We are NOT a dense urban area like San Francisco or the East Bay. Both of these two regions have difficult financial issues because of their urban character that we do not want to get involved in.

If we are grouped with SF or East Bay, most likely in the near future our taxes will rise, e.g. sales tax. We don't want that. Also, we will become immersed in much more difficult social and political issues.

Let's keep the character of Marin as it is, and be districted with Sonoma!
