**Conversation:** Public Comment: Redistricting

From: Jon Arild [REDACTED]

Subject: Redistricting

Message Body:

As a voting citizen of Marin County I strongly urge you to draw the lines, such that Sonoma County to the north is part and parcel of one district. Of all the counties that are possible partners, Sonoma most closely resembles the type of district that Marin would be by itself. We also have many joint interests such as the SMART project and Hwy 101 which is the major artery through both counties.

Thank you for your consideration.

Jon Arild
