Hi,
The current Congressional District 6 works very well for our residents. There is mix of people that share a common desire (a good and rich environment).

Taking any part of Marin and attaching it to anything of San Francisco (like the current state senate seat) would greatly diminish that common desire. We see it today with Senator Leno. 90% of his focus is on SF affairs to the detriment of Marin.

Please make sure that the future districts include both Marin and Sonoma and no part of SF or Contra Costa.

Thank you for your consideration,
