From: R. Miles Mendenhall [REDACTED]

Subject: 6th Congressional District

Message Body:

I am writing you, the CCRC, to firmly request that the 6th Congressional District, the seat currently held by Representative Lynn Woolsey (D) be left as intact as feasible, based on demographic changes documented by the last Census.

This is vital to all legitimate interests; public, economic, political, etc.

Any significant changes in the district boundaries, that are done for electoral gerrymandering reasons and not because of verifiable demographic changes, would be unconscionable and suspect.

Thank you.
