**Conversation:** Public Comment: 6th Congressional district

From: Jeff Parr [REDACTED]

Subject: 6th Congressional district

Message Body:

The 6th Congressional district should not be altered from it's current boundaries unless additions are required by population changes. There are communities of interest in Marin and Sonoma counties. There are labor and farming interests vital to the district. Joint cooperation between the counties has been in evidence for years. To make changes in the boundaries to enlarge neighboring districts would harm the communities that have worked tirelessly to build a joint structure.
